

Dretonio

New single release date May 21st

After the successful release of his first single 'Sky Rocket' which was by Sian Anderson, played on BBC 1Xtra, Capital Fm and Capital Xtra just to name a few, Dretonio Returns with another cool British RnB banger titled "Magic" taken from his first studio album, titled 'Dretonio By Design'. Which he is currently working due to release late 2015.

Over the past year the West London recording artist has been creating a refreshing new sound and rebranding his style and image and is now taking his music to another level.

The acclaimed recording artists positivity is contagious with his alluring sounds that combine his love of hip-hop with both RnB and popular music, he is definitely set to make a lot of noise for 2015

'Magic' produced by J.O. and Enoch John

Dretonio's single 'Magic' will be released on 21st May 2015. Album, 'Dretonio By Design' will release late 2015.
